About text	footer_about	AI agents that automate work...
LinkedIn URL	footer_linkedin	#
Instagram URL	footer_instagram	#
Column 1 title	footer_col1_title	Quick links
Column 2 title	footer_col2_title	Industry's
Build-team title	footer_build_title	Build your team:
Build-team text	footer_build_text	Get tips, product updates...
Build-team button label	footer_build_cta_text	Request a Diagnostic Conversation
Build-team button URL	footer_build_cta_url	#contact
Copyright text	footer_copyright	© {year} Kelarix. All rights reserved.
Bottom-right line	footer_email_line	Build your team: info@kelarix.com

2 ACF Field Group — “Homepage Content”

Create one field group in **ACF** → **Field Groups** → **Add New**.

Title: Homepage Content · **Location:** Post Type *is equal to* Page **AND** Page Type *is equal to* Front Page.

Add a **Tab** field at the start of each section to keep the editor tidy.

Tab · Hero

LABEL	NAME	TYPE	NOTES
Hero Tab	hero_tab	Tab	—
Eyebrow Text	hero_eyebrow	Text	Default: "Strategy led. Engineering backed..."
Hero Heading	hero_heading	Textarea	Allows basic HTML.
Hero Subtext	hero_subtext	Textarea	—
Hero Image	hero_image	Image	Return Format: Image URL.
Primary CTA	hero_cta_primary	Link	Default URL: #contact
Secondary CTA	hero_cta_secondary	Link	Default URL: #systems
Shield Note	hero_note	Text	Small line below buttons.

Tab · Blind Spots (Key Problems)

LABEL	NAME	TYPE	NOTES
Blind Spots Tab	blind_tab	Tab	—
Badge Text	blind_badge	Text	Default: "Key Problems"
Section Heading	blind_heading	Textarea	—
Section Text	blind_text	Textarea	—
Blind CTA	blind_cta	Link	White CTA card link.
Problem Card 1–5	blind_card_1 ... blind_card_5	Group	Sub-fields: title (Text), text (Textarea), icon (Text)

Icon values: scatter , clipboard , clock , workflow , ai .

#	DEFAULT TITLE	ICON
1	Scattered visibility	scatter
2	Manual execution	clipboard
3	Slow decision making	clock
4	Weak workflow control	workflow
5	AI readiness gap	ai

Tab · Layers (What Kelarix Does)

LABEL	NAME	TYPE
Layers Tab	layers_tab	Tab
Badge Text	layers_badge	Text
Section Heading	layers_heading	Textarea
Section Text	layers_text	Textarea
Layer Card 1–5	layer_card_1 ... layer_card_5	Group · title (Text), text (Textarea)

#	DEFAULT TITLE	LAYOUT
1	Business operations	Wide (span 3)
2	Data foundations	Wide (span 3)
3	Intelligence layer	Narrow (span 2)
4	Workflow layer	Narrow (span 2)
5	Software layer	Narrow (span 2)

Tab • Systems We Build

LABEL	NAME	TYPE	NOTES
Systems Tab	systems_tab	Tab	—
Badge Text	systems_heading_badge	Text	Default: "Systems We Build"
Section Heading	systems_heading	Text	—
Section Text	systems_text	Textarea	—

Content cards for this section come from the **kx_system** CPT — see §3.

Tab • Industries

LABEL	NAME	TYPE
Industries Tab	industries_tab	Tab
Badge Text	industries_badge	Text
Section Heading	industries_heading	Textarea
Section Text	industries_text	Textarea
Also Heading	also_heading	Text

Content cards come from the **kx_industry** CPT — see §3.

Tab · Confidential

LABEL	NAME	TYPE
Confidential Tab	conf_tab	Tab
Badge Text	conf_badge	Text
Section Heading	conf_heading	Textarea
Section Text 1	conf_text	Textarea
Section Text 2	conf_text2	Textarea
Confidential Card 1–5	conf_card_1 ... conf_card_5	Group · title , text

#	DEFAULT TITLE
1	Scenario Studies
2	System Concepts
3	Diagnostic Frameworks
4	Demo Based Proof
5	Executive Briefs

Tab · Proof (Featured Proof)

LABEL	NAME	TYPE
Proof Tab	proof_tab	Tab
Badge Text	proof_badge	Text
Section Heading	proof_heading	Textarea
Section Text	proof_text	Textarea

Content comes from the **kx_proof** CPT — see §3.

Tab · Process

LABEL	NAME	TYPE
Process Tab	process_tab	Tab
Badge Text	process_badge	Text
Section Heading	process_heading	Textarea
Section Text	process_text	Textarea

Content comes from the **kx_process** CPT — see §3.

Tab · Discipline (Our Value)

LABEL	NAME	TYPE
Discipline Tab	discipline_tab	Tab
Badge Text	discipline_badge	Text
Section Heading	discipline_heading	Textarea
Section Text	discipline_text	Textarea
Discipline Item 1–7	discipline_item_1 ... discipline_item_7	Group · title , text

#	DEFAULT TITLE
1	Confidentiality first
2	Business first discovery
3	Documentation discipline
4	Role based thinking
5	Data governance awareness
6	Human review where needed
7	Scalable foundations

Tab · Final CTA

LABEL	NAME	TYPE
Final CTA Tab	<code>final_tab</code>	Tab
Heading	<code>final_heading</code>	Textarea
Subtext	<code>final_text</code>	Textarea
Primary CTA	<code>final_cta_primary</code>	Link
Secondary CTA	<code>final_cta_secondary</code>	Link

3 Custom Post Types

REPEATABLE CONTENT

These CPTs are already registered by the theme. Add posts + create an ACF field group per CPT for the extra fields.

CPT · Systems We Build

kx_system

Dashboard sidebar → **Systems We Build**. Use *Page Attributes* → *Order* to control display sequence.

Field Group: System Details · Location:

kx_system
